

Software Engineer – Engine & Tools

Type: Full-time employee

Location: Trinigy Hamburg Office, Hamburg, Germany

Focus: Engine und tools programming

Previous Work Experience: 3+ years

Trinigy is looking for an experienced 3D software engineer to join our experienced Vision Engine development team and to help growing our newly founded office in Hamburg.

At Trinigy, you'll be working with one of the industry's most advanced technologies for professional game development. The Vision Engine has proven its versatility and reliability in more than 150 commercial game productions all over the world and is the trusted solution of PC, console, serious, and casual game developers across the globe, including Ubisoft, NeoWiz, TimeGate Studios, Spellbound, Nitro Games, Robot Entertainment and many more.

Job Description

We're looking for a Game Engine and Tools engineer who can think out-of-the-box and who is not afraid to push the envelope of modern game development technology. You will extend and enhance our existing tools framework and design and implement new engine features. As part of the technology development team, you will contribute to design decisions and work closely with Trinigy's Technical Director to make our proven technology even better.

The ideal candidate is an all-rounder programmer who combines a passion for game technology with good DirectX/OpenGL skills and comprehensive experience in game tools programming. Additional experience in console programming is a plus.

Expected Skills and Qualifications

- 3+ years of professional C++ development
- 2+ years professional C# development
- Good knowledge of both DirectX and OpenGL
- Good problem solving and optimization skills
- Good communication skills (English)
- Prior game development and/or middleware development experience

Beneficial Skills

- Experience with console programming
- BSCS or equivalent, or related industrial experience

We Offer

- Health, Medical, Dental and Social Insurance coverage
- Long Term Disability and Unemployment coverage
- Bonus Program
- 30 days of paid holiday
- Relocation service
- A "crunch-time" free work environment since the company's founding

Trinigy is an Equal Opportunity Employer.
